Tesco superstore, Sheffield Michael Aukett Architects

'The front is all glass and you can see inside through the whole store. You get a calming sensation, even when the store is busy. The frozen foods section has rotating penguins and the dairy section has cows with swishing tails - kids love it.'
Andrew Palmer (34), fresh foods trading manager

3

Stylish shed: Michael Aukett's Sheffield Tesco, above, shows there is an alternative to clocktower supermarkets, left.

Chiddenbrook pharmacy, Devon Smith Roberts Associates

'The spire on the end is a bit strange, but it's convenient because it's right next to the surgery. Before, I had to go all the way to the high street. It's different. It's green. It's unobtrusive.'
David Rex Fisher (66), customer

4

Feeling better: Smith Roberts' pharmacy, above, helps the medicine go down more easily than via the usual high street route, left.
